

This half term in Kingfishers we are studying ...

*SETTLERS AND SETTLEMENTS*

OUR TOPIC IS A HISTORY FOCUS.

Maths	We shall continue with our unit on multiplication and division strategies before progressing to fractions later in the half term. We shall begin to learn our 8 times tables as well as continuing to revise our 2,3, 4, 5 and 10 times tables.
English	We shall read a traditional Anglo Saxon tale, Beowulf and use this to inspire us to write our own hero myth stories. Later in the term, we shall look at another Anglo Saxon literary legacy, riddles, to inspire us to write kenning poetry.  In reading, we shall continue to focus on comprehension skills of retrieval, prediction and inference using a variety of texts to support our learning.
Science	Our focus shall be on forces and magnets. We shall also investigate how the Anglo Saxons would have dyed their clothes.
History	We shall continue with our understanding of chronology of the Saxon period and the power struggles between the Saxons and the Vikings. We shall investigate religious beliefs and undertake historical enquiry into the Sutton Hoo grave.
Music	We shall be learning about rhythm and pitch.
DT	We shall look at seasonality and the role this played in the Anglo Saxon diet before preparing and cooking our own Saxon recipe.
Computing	We shall follow our iCompute scheme of work around coding.
PSHE/No outsiders RSE	Our <i>No Outsiders</i> will continue to build understanding and acceptance of a multicultural and diverse Britain. In RE, we will follow separate Suffolk planning, learning about ‘How do Sikhs put their beliefs about equality into practice?’
PE	Our PE this term will be gymnastics and invasion games.

IMPORTANT REMINDERS
