

Eagle Newsletter – January 2024

Eagle email: Eagles@Nayland.suffolk.sch.uk

Dear Parents and Carers

Welcome to 2024!

Eagle Learning – Rock on!

This term our topic is Rock On! Our learning about Stone Age Britain will include investigating life at Skara Brae, the flint mines in Norfolk and how Britain emerged into the Bronze age. The second part of the topic focuses on the development and impact British Rock music had on our society and culture. The majority of our English, Art, Music, Dance, Science and Drama learning will be experienced through these themes. We will also be reading the book “Wolf Brother” by Michelle Paver and all of our reading and writing will be based around this book.

Eagle SATs – Information:

Thursday 8th February 3:00 – 3:25pm

Friday 9th February 9:00 – 9:25am

We would like to invite you into school for an informal SATs information meeting (see above for times) We have tagged these onto the scheduled Look and Share sessions for your convenience.

Eagle Homework and PE

All homework will continue to be recorded in the Homework Diary and we would ask you to please sign this diary every week and to encourage your Eagle to independently use their diaries every day by bringing them to school and annotating in them at home. A member of the Eagle teaching team will sign the diary every week.

PE continues to be every Tuesday and Thursday (when kits will be sent home for a wash!) Please encourage your Eagle to independently pack their PE kits ensuring they have the full outdoor kit for the weather conditions.

Eagle Residential Trip – March 11th – 15th March 2023

A kit list will be sent shortly and further details will be winging their way to you before the end of half term...

Best regards

Mrs Wainwright
